

Manufacturer, Customization And Services
Mfg. of ERW MS Pipe, GP Pipe
GP/CRCA/HR-Coil, Sheet Slitting

Anand Steel Group has always been driven by the kinetic energy of serving our customers with the best product.

To give our Customer we have tied up with a processing facility of 20,000 metric tonnes per annum to accommodate various facilities like Decoiling, Cut to Length and Steel Processing, located at Kuchiyadad, Rajkot.

The facility is laced with all latest installations that allow us to cut coils with thickness ranging from 0.30mm-16mm and width up to 900mm to 2000mm. The RCC flooring at the facility helps us to handle heavy weights while ensuring the maintenance of all various safety parameters and it also houses 8 overhead cranes with a capacity to handle 35 metric tonnes of steel coils.

Our motive is to serve our customers optimally led to the formation of a Steel Service Centre at Anand Steel Group that emphasizes on infrastructural development to focus on Steel Fabrication and Cut to Length services, Slitting Line & Manufacture Pipe also.

Anand Steel Group serve attitude towards our customers and wide range of quality product offerings at competitive prices has made our progress indelible.

: Services :

- Cut to Length Line
- Slitting Line
- Shearing Machine
- Customized Solution in steel Industries
- Galvanised Coil & Sheet
- CRCA Coil & Sheet
- HR Coil & Sheet

Products	Thickness	Width
GP Coil	0.20 to 3.00mm	900mm to 1500mm
CRC Coil	0.40 to 3.00mm	900mm to 1550mm
HR Coil	1.60 to 20.00mm	900mm to 2000mm
• HRPO Coil & Sheet • Colour Coated Coil & Sheet • Pipe		

We Provide our Customer Best Products with Best Steel Solution... .
